Position Overview

Our aerial adventure parks are a combination of treetop obstacles and zip-lines and operators are the eyes and ears of the park. They help create a fun atmosphere through friendly, fun, high-energy assistance while ensuring safety regulations are followed. No experience is needed and we provide all required training. Outdoor lovers are welcome! Please know that we work outside 100% of the time.

We are seeking fun, motivated and professional individuals to join our team. Our schedule is as follows:

- Weekends & holidays from March through November
- Daily from Memorial Day through first week of August
- Weekday group reservations during the Spring and Fall

Responsibilities

- Daily opening and closing of the courses
- Daily equipment and course inspections
- Periodic thorough equipment and course inspections
- Greet and acknowledge all clients to ensure a positive experience
- Equip clients with gear and monitor for necessary adjustments throughout their climb
- Lead a safety briefing and demonstration
- Enforce park regulations
- Monitor participants on courses
- Verbally and physically assist participants on courses
- Handle at-height rescue situations
- Park clean-up and occasional site maintenance

Requirements

- Must be 18 and older
- Comfortable working at height
- Outgoing personality, good communication skills, excellent team player
- Patient and able to lead groups of kids as well as adults
- Must have reliable transportation
- Strong commitment to safety
- Tour guide experience is a plus
- Capable of moderate physical activity including standing, walking, reaching, climbing, and lifting weight in excess of 40 pounds; able to visually identify safety hazards.
- Must have flexible availability including weekends, evenings, holidays.

Please do not apply if you do not meet the above qualifications. Only candidates being considered will be contacted.
