Position Overview

Treetop Quest is an Aerial Adventure Park combining obstacles and zip lines high in the treetops! The Adventure Coordinator is the first person clients meet and so they are a key employee, reflecting our company's image and culture. They are responsible for all Front Desk Agent duties and responsibilities, in addition to coordinating group reservations, daily financial reporting, and outreach and sales efforts. Excellent communication, customer service, and organizational skills are required.

We are seeking fun, motivated and professional individuals to join our team. Our schedule is as follows:

- Weekends & holidays from March through November
- Daily during the summer
- Weekday group reservations during the Spring and Fall

Responsibilities

- Greet and acknowledge all clients to ensure a positive experience
- Check in clients, including individual and group reservations
- Answer client questions via phone and email in a timely and professional manner
- Coordinate and book group reservations
- Identify correct price of service & tabulate bills using the point of sale system
- Process payment by cash, check, credit card, certificates, etc.
- Calculate payments received & reconcile with total sales & items at the end of the day
- Maintain client databases
- Follow up with previous clients and find new leads to generate sales
- Ensure participant waiver of liability is correctly completed and signed
- Address customer complaints & immediately refer to manager in charge
- Respond to inquiries on company social media accounts
- Possibility of attending events to promote Treetop Quest
- Assist as needed to equip, coach and advise participants
- Enforce park regulations
- Assist Management with evaluating and training Front Desk Agents
- Serve as a positive leader for Front Desk Agents

Requirements

- Must be 18 and older
- Outgoing personality, good communication skills, excellent team player
- Patient and able to communicate effectively with groups of kids as well as adults
- Strong sense of professionalism and courtesy
- Strong organizational & prioritization skills
- Basic computer skills
- Must have reliable transportation
- Strong commitment to safety
- Previous customer service experience is a plus

- Must have flexible availability (including weekends, evenings, holidays).

Please do not apply if you do not meet the above qualifications. Only candidates being considered will be contacted.
